

The Glenmede Fund, Inc.

Equity Income Portfolio (GEQIX)

**Supplement dated June 14, 2021 to the
Equity Prospectus dated February 28, 2021**

The “Average Annual Total Returns” table in the sub-section entitled “Performance Information” of the “Summary Section” of the Equity Income Portfolio on page 46 of the Equity Prospectus is hereby deleted in its entirety and replaced with the following:

Average Annual Total Returns (for the periods ended December 31, 2020)

	Past 1 Year	Since Inception (December 21, 2016)
Return Before Taxes	6.74%	10.24%
Return After Taxes on Distributions	6.15%	9.56%
Return After Taxes on Distributions and Sale of Fund Shares	4.29%	7.94%
S&P 500® Index (reflects no deduction for fees, expenses or taxes)	18.40%	15.61%
Morningstar Large Value Average ¹	2.91%	8.02%
Russell 1000® Value Index ²	2.80%	7.60%

¹ The Morningstar Large Value Average is provided so that investors may compare the performance of the Portfolio with the performance of a peer group of funds that Morningstar, Inc. considers similar to the Portfolio.

² The Russell 1000® Value Index is provided so that investors may compare the performance of the Portfolio to another well-known index for large cap stocks.

Please retain this Supplement for future reference.
