Glenmede Investment Management, LP claims compliance with the Global Investment Performance Standards (GIPS®).

GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant the accuracy or quality of the content contained herein.

Glenmede Investment Management, LP, a registered Investment Advisor, is an affiliate of the Glenmede Trust Company, NA (GTC). The "Firm" is defined as all investment advisory accounts managed by Glenmede Investment Management LP. Effective January 1, 2007, the Investment Product Management Group of GTC became Glenmede Investment Management, LP. All performance prior to January 1, 2007, shown here as the performance of GIM, was previously reported as the performance of the Investment Product Management Group of the Glenmede Trust Company.

All of the composites' valuations and returns are computed and stated in U.S. Dollars. Net numbers are net of max allowable management fee for this strategy. Additional information regarding the Company's policies for valuing portfolios, calculating performance and preparing compliant presentations, is available upon request. A GIPS® compliant presentation, as well as a complete list of firm composites and performance, can be requested from GIM Client Service at gimclientservices@glenmede.com. Please see the GIPS® presentation for further explanation.

The Equity Income Composite objective is to invest in a diversified portfolio of common and preferred stocks that reward shareholders with dividend income. Companies held in the portfolio will be among industry leaders in dividend yield and possess the ability to raise the payout to shareholders over time.

The S&P 500 Index consists of 500 widely held common stocks. This unmanaged index is a total return index with dividends reinvested. One cannot invest directly in an index.
